

New England, USA

By Train

Take the Metro-North New Haven line to South Norwalk station (if in NYC, the train leaves from Grand Central Terminal). *Train ride is about 1 hour from NYC and 45 minutes from New Haven.*

Once you arrive at the station feel free to call our office for a ride (203 299-0830) or make the five minute walk to our office

If exiting the station from the NYC (north-bound) side, turn left as you leave and walk towards Monroe Street

If exiting the station from the New Haven (south-bound) side, turn right as you leave and walk towards Monroe Street

Turn right on Monroe Street and walk 1 block

At first stop light, turn left on S. Main Street and walk 2 blocks

Turn right on Haviland Street and walk 1 block to the end of the street

Turn left on Water Street

Our office is on the left-hand side, about half a block down

From I-95 N

Take I-95 N to exit 14 in Connecticut

Turn right on Fairfield Avenue at the top of the ramp

At the first light follow the road to the left and continue on Washington Street

Turn right on Water Street

Turn right on Haviland Street

There's a parking garage on your right at the far end of the street or there's metered parking available on both sides of the street. Once you've parked, come back down Haviland Street and turn left on Water Street. Our office is on the left-hand side, about half a block down.

From I-95 S

Take I-95 S to exit 15 in Connecticut (stay in the right-hand lane and take the first fork towards South Norwalk/Aquarium)

Turn left on West Avenue at the bottom of the ramp

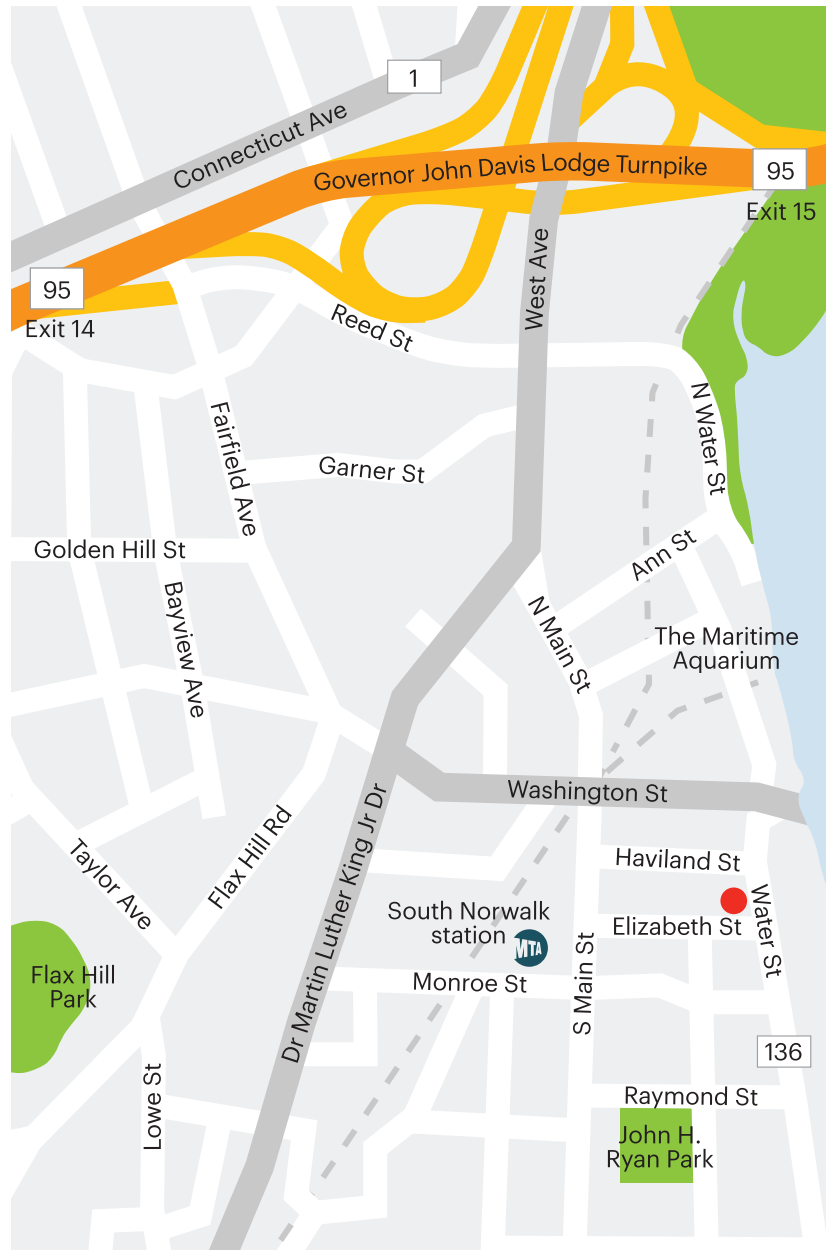

Turn left on N. Main Street

Turn left on Washington Street

Turn right on Water Street

Turn right on Haviland Street

There's a parking garage on your right at the far end of the street or there's metered parking available on both sides of the street. Once you've parked, come back down Haviland Street and turn left on Water Street. Our office is on the left-hand side, about half a block down.

Look for the double archway. At the double glass doors ring the buzzer for Theatre Projects to let us know you've arrived.
